- [ ] Clean the fridge and freezer inside and out (unplug only if your lease says to)
- [ ] Clean inside the oven, racks and broiler drawer
- [ ] Microwave inside and out
- [ ] Stovetop, drip pans and range hood
- [ ] Dishwasher door, edges and filter
- [ ] Sink, faucet and counters
- [ ] Pantry shelves wiped down
- [ ] Sweep and mop, including under the fridge and stove if you can move them

Bathrooms

- [ ] Toilet inside, outside and around the base
- [ ] Tub, shower walls, doors and tracks
- [ ] Sink, faucet and counter
- [ ] Vanity cabinets and drawers inside and out
- [ ] Mirrors and medicine cabinet
- [ ] Exhaust fan cover and light fixtures
- [ ] Towel bars and toilet paper holder
- [ ] Sweep and mop, including behind the toilet

Bedrooms and Living Areas

- [ ] Closets emptied, shelves and rods wiped
- [ ] Ceiling fans and light fixtures dusted
- [ ] Windows, sills and blinds
- [ ] Doors, door frames and handles
- [ ] Outlets and switch plates
- [ ] Baseboards
- [ ] Vacuum carpet and mop hard floors

Before You Hand In the Keys

- [ ] Remove every personal item, trash bag and box
- [ ] Replace any burned out light bulbs
- [ ] Check your lease for anything your landlord requires
- [ ] Take dated photos of every room after cleaning
- [ ] Return all keys, mailbox keys and remotes
- [ ] Leave a forwarding address with your landlord
- [ ] Schedule utilities to shut off after your final walkthrough

Tip from our crew

Work top to bottom in each room: ceiling fans and fixtures first, floors last. Do the kitchen and bathrooms first. They take the longest and landlords check them the closest.
